

Nadeen School Parent Survey 2023/24 Action Plan

Purpose:

The purpose of this action plan is to identify areas from the Nadeen School Parent Survey that we can improve upon as a school. These areas will include a list of actions that we will work through as a school, resources needed to take these actions forward and have a completion date. To ensure a successful completion of the areas listed, we have identified a success measure for our school.

Communication:

This plan will be shared on the website via an article and shared via Social Media.

Areas to Improve Areas of the school that need to be improved from the survey.	Actions to be taken What steps are we taking at school to ensure improvement?
